Financial strength, committed relationships and underwriting excellence have positioned PartnerRe as a well respected and influential reinsurance partner in the Life reinsurance industry.

As an innovative Life reinsurer, PartnerRe provides Life insurance companies with assistance in the development of new products ranging from impaired life annuities, long-term care products to mortality swaps. PartnerRe further shares expertise in medical underwriting, claims handling, start-up consultation and new distribution channels with our clients worldwide.

The product development and marketing is carried out by a team of dedicated and highly experienced Life insurance/reinsurance specialists. Responsibilities are aligned geographically, enabling the strengthening of market knowledge and the forming of strong, lasting business relationships with clients and brokers. A local presence is ensured by our broad worldwide network.

Our satisfaction is our ability to meet your requirements and needs. We therefore put our financial strength and expertise at your service in the support of your risk, enhancement of your risk and claims assessment, and in the expansion of your product range.
