## **Medical Management Program**

**Healthcare costs continue to climb and benefit limits continue to increase. Exposure to catastrophic claims is the greatest it's ever been. PartnerRe's PULSE+Plus<sup>TM</sup> Medical Management Program is an integrated, state-of-the-art program that helps proactively manage healthcare risk exposures and find optimal solutions for evolving healthcare challenges.**

*PULSE+Plus<sup>TM</sup> Medical Management Program helps optimize both clinical and financial outcomes through a wide range of value-creating services that enhance risk protection at multiple levels. More than just providing a referral, we stay involved throughout the process and provide comprehensive solutions.*

### **PROGRAM FEATURES**

- Rare, complex and chronic disease management and network solutions
- Transplant center of excellence networks and contract evaluation
- Outreach services providing a proactive approach to managing quality and cost of care
- Board-certified specialty physician panel, with physician-driven consultation services
- Comprehensive analytical auditing services; hospital and physician claim audits
- Top-tier primary and supplemental PPO networks and contract negotiations
- Specialty pharmacy management and network
- Advocacy for alternative payers
- Educational support and webinars
- Consultative risk, contract and care management
