

Managed Care Solutions

PartnerRe, one of the largest writers of managed care reinsurance, is uniquely positioned to analyze, manage and assume risk exposures amid the rapidly changing healthcare landscape. Our focused expertise in HMO reinsurance, provider excess-of-loss and proportional reinsurance assists managed care companies and provider groups with adapting and thriving in the face of transformative changes in healthcare.

Using our risk analysis expertise and innovation, we create customized, cost-effective solutions for managing medical risk and limiting catastrophic losses. Our comprehensive approach evaluates each client's unique risk challenges and works collaboratively with them to navigate ever increasing costs of catastrophic healthcare risks and new or changing risks.
